Deposit of £..... plus balance payment £..... == Total charge £.....

New Forest Cottage Holidays – Booking Form

Please send a deposit of 1/3 of the total amount to the nearest pound. No pennies please! If paying by card please telephone the above numbers. The balance payment is due 4 weeks prior to arrival. A separate payment of £80 will be required as a damage deposit/utility payment. This will be either a cheque sent with the balance payment or your details provided on your card. (nothing will be taken off your card for utilities/possible breakages/damage until the end of your stay).

Cancellation insurance is recommended. It is relatively inexpensive for the UK and will give peace of mind. If no insurance is taken out and you cancel your holiday then I can only return any monies paid if the cottage can be re-let. If, through unavoidable circumstances, the property becomes unavailable to let, all monies paid would be refunded but no further claim could be made against the owner..

Dated.....

The damage deposit

You are expected to leave the accommodation in a reasonable state of cleanliness. Please return furniture to its original position. Washing up of crockery, cutlery and cooking utensils must be done to an acceptable standard ready for the next guests. All breakages must be paid for in full. If the damage is extensive you will be sent an invoice for the repair. If there is an excessive amount of cleaning to be done after you have left you will be charged an appropriate sum. If you have a dog, dog hairs on furniture and carpets, and garden fouling will be penalised. Whether you have paid by a damage deposit cheque or given credit/debit card details as security, you are advised that damages will be recovered via this payment.

Please read the terms and conditions section carefully and by booking a cottage you will be accepting these. Your £80 cheque will be banked and any refund posted back within a week of departure. If you have provided credit card details as security then money will be taken for utility services used and in addition if there are any damages to pay.

Please note that in 2009 no deductions for damages/cleaning were made to my guests.
